(Examiner/SPE Signature)

\_\_\_\_\_  
(Applicant/Applicant's Representative Signature – if appropriate)

Continuation of Substance of Interview including description of the general nature of what was discussed: Applicant was advised of problems in claim 11, which had been written using language extracted directly from the Specification at pages 13 and 14. In particular, the hydroxyl equivalent amounts for each of (i), (ii), and (iii) had not been specified. Alternative language was worked out and it was agreed that formula 8 should be moved to directly beneath its first mention.
